

Evan Dadoun

2D Character Animator | 2D Effects Animator | Storyboard Artist

Profile

I'm a Toronto based animator specializing in 2D Effects and Character Animation, as well as Storyboarding. I'm Passionate about hand drawn animation and making drawings feel alive.

Work Experience

2D Animator - Built By Crows (2023 - current)

A Prayer From The Blackbox Short film

- 2D Character Animator, Animating many scenes of characters in dialogue
- 2D Effects Animator, Creating intense scenes of water effects enveloping the room and characters

2D Effects Lead - Seneca Student Thesis Film (2022 - 2023)

Homegrown Student film

- 2D Effects Lead of the Film, overseeing, giving feedback and approving all of the handdrawn shots, including animating many of them myself
- Used Harmony rigs to animate Characters, and assisted with initial boards and story writing

2D Animator - Crab Crew Productions (2023)

Lobster Boat Student Film

- 2D Effects Animator, animating a loop of a boat in the ocean, rotating in perspective as it rocks to the waves
- 2D Character Animator, using Harmony rigs to animate characters

Freelance Illustration & Animation (2020 - current)

- Logo Design, Stream Layout Design, misc. Illustration/Animation
